

ACRO Seminar – 11th September 2009, Ahmedabad

ACRO is the Association of Contract Research Organizations in India.

Veeda Clinical Research® will be proud and privileged host to the ACRO event for the year 2009.

This event will be the host to prime delegates, high profile decision makers in Gujarat Healthcare and experienced members at top notch positions in the pharmaceutical and biotech and the Indian CRO's.

The Indian CRO industry had minuscule

presence in the mammoth CRO geography. With the formation of ACRO in 2005, the Indian CRO industry evolved and shaped itself from a small cluster to a mega association of prominent people represented by scientific experts of the industry.

Veeda Clinical Research will place before you the appropriate blend of scientific and marketing presentations from Key and learned speakers on this way.
